

DUCTFORMER

Standing 'S' Rollformer

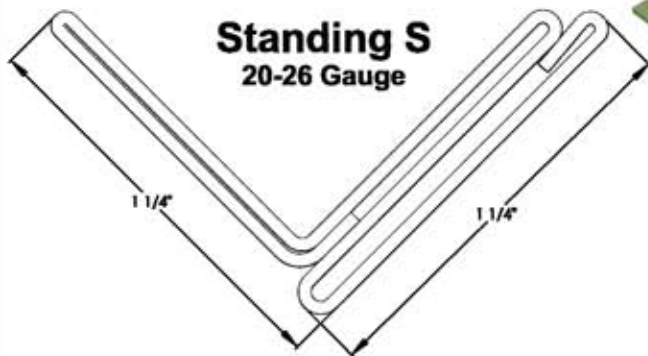

Made in the USA

Model # CR10-SS
(shown less guarding)

Standing S 20-26 Gauge

The Standing S profile is similar to a standard S-Slip or Flat S section but incorporates a 1 1/4" tall vertical leg that provides additional strength and rigidity to the ductwork.

Specifications:

- 20-26 Gauge Capacity
- 24" Full Hardened Tool Steel Guides
- 5 Hp. 220/440 Volt / 3 Phase
- 50 FPM Line Speed
- Simple, Reliable Rollform Design
- All Sealed Roller Bearings
- Heavy Duty Oil Bath Gear Reducer
- All Gear Drive
- High Efficiency Motor

The Ductformer CR10-SS forms the Standing-S Profile from pre-cut strips. As with all Ductformer rollformers, the quality of the CR10-SS can be observed as soon as the power is turned on. The silence of the machine while running reveals that the precision workmanship and superior design will guarantee years of dependable service.
